

Posting to Facebook and Other Social Media Sites

Sharing your products to your choice of social media platforms is easy with your eMerchantClub Magento website!

To share products directly to Facebook, Twitter, Pinterest, Messenger and beyond:

1. Go to your website (not the admin panel, but the forward-facing website that your customers see).
2. Find the product you want to share to social media.
3. Go to the product page and click on the easy-sharing social media buttons across the bottom of the description!

You can also copy and paste the URL of the product page into your chosen social media platform.
